CS 2550ci | Color Multifunctional System

Powering Color Performance... Company-wide.

The Power and Performance You Expect

Designed with you in mind, the Copystar CS 2550ci packs exceptional and intuitive functionality into a multifunctional system that is simple to operate and highly cost-effective. Your busy office will appreciate its high performance, offering solutions that can tackle day-to-day document imaging and workflow requirements with ease. Features such as eye-catching business color and professional finishing options add impact when it matters, while reducing the need for outside print services.

Copystar's award-winning ultra-reliability and unique long-life technology ensure superior performance, proven productivity and maximum uptime. When it comes to document imaging innovation and quality you can rely on, the CS 2550ci delivers.

Only From Kyocera

KYOCERA Document Solutions is a global leader in the digital imaging industry, with an award-winning line of Copystar multifunctional systems and ECOSYS laser printers, products that consistently set the standard for high performance, superior image quality, ease-of-use and durability. Along with a full complement of advanced business applications and networking solutions, Copystar's robust product line, designed and engineered by Kyocera, supports your need for maximum productivity at minimal total cost.

Kyocera continually strives to raise the bar for excellence in both products and service for exceptional results you and your business can count on.

Keeping the Future Green

Kyocera is committed to pursuing a harmonious balance between economic development and environmental preservation. We adhere to the goals of our worldwide Environmental Action Plan in developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising your productivity.

The Simplicity and Flexibility to Get the Job Done

In your busy workday, you need to know that you can get your document imaging tasks completed quickly and professionally, without having to spend time figuring out how to access the features you require to get the job done. The highly intuitive 8.5" color touch-screen control panel of the CS 2550ci lets you do just that, with personalized shortcuts and on-board help guidance to make programming your jobs from the device quick and effortless. This same intuitive programming is possible from the desktop via the easy-to-use, universal KX Driver.

From beginning to end, the paper handling capabilities of the CS 2550ci power your communications. A standard Reversing Automatic Document Processor provides fast scan speeds of up to 48 images per minute. On the output side, the device can handle multiple paper sizes and weights up to 11" x 17" and 110 lb cover. If your business requires long print runs, a generous 2,100-sheet paper capacity option means less time worrying about interrupting the job to add paper.

The CS 2550ci is the smart choice for businesses that sometimes need to add color to their daily business documents as well as those occasional high-impact pieces. Color optimization capabilities enable you to easily enhance color with precision. Then add the finishing touch with simple features such as multi-position staple through the optional 500-sheet finisher.

For today's on-the-go workforce, standard USB Host Interface provides convenient print-from or scan-to capabilities in XPS, PDF, JPEG and TIFF.

Time Savings + Cost Savings = Efficient Productivity

Every minute counts. So does every dollar. The CS 2550ci brings efficient productivity to your business, with time saving features like the ability to pre-program and store commonly used copy, scan and print settings for faster job set-up. In addition, secure Document Box lets you keep frequently used documents close at hand for hassle free printing.

Impressive toner yields of 12,000 pages for black and 6,000 pages for color enable you to run longer print jobs. Additionally, Kyocera's long life technology and 'class leading' drum yields deliver extended preventive maintenance intervals and maximize device uptime. This adds up to highly reliable operation, a low total cost of ownership, and more time to devote to other tasks.

Keeping Information Secure and Moving

Information is your most important business asset, and you need a document imaging system you can depend on to keep it flowing seamlessly and securely. The CS 2550ci raises the bar on core functionality with unparalleled efficiency. Fast processing speeds of 600 MHz, with standard 2 GB of RAM and Dual 160 GB of Hard Disk Drive space support the exceptional all-in-one productivity you need without compromising quick output, even on more complex jobs.

Data protection is a major concern given the number of ways we can access information. The CS 2550ci safeguards against a wide range of security risks with standard iPsec, iPv6 and PDF encryption. The device's Document Box capability is supported by protected file sharing and pin-based Private Print. Extend your document security even further by selecting optional Card Authentication, which will enable you to protect confidential documents from unauthorized access both within and outside your organization.

Enhanced MFP Performance... *Powered by* HyPAS®

From Mobile and Cloud, to Cost Control and Security Solutions, Kyocera is committed to providing business applications that seamlessly and securely integrate with the CS 2550ci. Developed by Kyocera or third-party solution providers, these apps optimize your hardware investment and develop workflows to suit your business needs today and tomorrow.

Our expanding suite of business applications include:

PinPoint Scan
Scan from your MFP to your PC with added speed, functions and versatility.

DMS Link
Simplify document workflow through digital imaging, distribution, retrieval and long-time archival.

SharePoint Connector
Enhance collaboration utilizing your Copystar MFPs and your existing Microsoft SharePoint Server

Card Authentication
Use your existing HID employee identification cards to securely unlock your MFP.

Mobile Print
Simply and conveniently print files, web pages, and images using your smartphone or tablet.

CS 2550ci

The **Copystar CS 2550ci** multifunctional system is the ideal solution for virtually every busy office and workgroup. It meets the full range of your day-to-day document imaging needs while providing business color technology with finishing options that can help reduce outsourcing costs.

Combining power and productivity with a lower total cost of ownership, the CS 2550ci delivers the exceptional performance your business deserves.

Harness the power of your Copystar MFP with customized business applications.

DMS Link
Simplify document workflow through digital imaging, distribution, retrieval and long-time archival.

PinPoint Scan
Scan from your MFP to your PC with added speed, functions and versatility.

Card Authentication
Use your existing HID employee identification cards to securely unlock your MFP.

KYOCERA Mobile Print
Simply and conveniently print files, web pages, and images using your smartphone or tablet.

SharePoint Connector
Enhance collaboration utilizing your Copystar MFPs and your existing Microsoft SharePoint Server.

Hybrid Platform for Advanced Solutions

Basic Specifications

Configuration	25/25 ppm Color Multifunctional with standard network print, copy and scan. Standard Document Processor, Duplex and 1,100 Sheet Paper Capacity. Optional BW Fax, Finishing and Paper Handling
Pages per Minute	BW/Color: 25 ppm (Letter); 13 ppm (Legal); 13 ppm (Ledger)
Warm Up Time	45 seconds
First Page Out	Copy: 7.9 seconds Black, 10.0 seconds Color Print: 9.4 seconds Black, 10.9 seconds Color
Display	8.5" Color Control Panel
Resolution / Bit Depth	600 dpi / 8 bit color depth
Memory / HDD	Standard 2 GB RAM / 160 GB HDD
Duplex	Standard Duplex
Electrical Requirements	120V, 60Hz, 12.0A
Dimensions / Weight	22.23" W x 27.52" D x 33" H / 94 lbs

Paper Supply

Standard Paper Sources	Dual 500 Sheet Drawers; 100 Sheet Multipurpose Tray (MPT)
Optional Paper Sources	500 x 2 Sheet Drawer
Paper Capacity	Standard: 1,100 Sheets; Maximum: 2,100 Sheets
Paper Size	5.5" x 8.5" - 11" x 17" (Statement - Ledger)
Paper Weight	Drawers: 16 lb. Bond - 140 lb. Index (60 - 256gsm); MPT: 16 lb. Bond - 140 lb. Index (60 - 256gsm)
Input Materials	Plain paper, Recycled paper, Material paper

Security Specifications

Standard	Local Authentication, Network Authentication (IPsec, HTTPS, LDAP over SSL, SNMPv3); Secure Print (IPP over SSL); Scan to e-mail (POP3/SMTP over SSL); Scan to FTP (FTP over SSL); Scan to SMB/PC/USB; SSL
Optional	Data Security Kit (E): Network Data Encryption, HDD Overwrite Mode, HDD Data Encryption

Printer Specifications

Controller	PowerPC 750CL/600MHz
PDLs / Emulations	PRESCRIBE, PCL6 (PCL XL and 5e), KPDL3 (PS3), XPS
Fonts	93 PCL Fonts, 136 PS Fonts, 8 Vista Fonts
Windows® OS Compatibility	Windows XP/2003/Vista/2008/7
Mac OS Compatibility	OS 10.x
Novell OS Compatibility	Novel NetWare 3.x/4.x/5.x/6.x
UNIX OS Compatibility	Sun OS 4.1.x; Solaris 2.x; AIX; HP-UX(LPR)
Interfaces	Standard: 10/100/1000BaseTX; High Speed USB 2.0, USB Host (2); Optional: 10/100/1000BaseTX (for dual NIC)
Network Print and Supported Protocols	TCP/IP, IPX/SPX, AppleTalk, NetBEUI, FTP, Port9100, LPR
Drivers / PPDs	KX Driver, Mini Driver, PPD for Mac, PPD for Linux/UNIX
Utilities	Kyocera Business Applications, Kyocera Net Admin, Kyocera Net Viewer, PDF Direct Print, Status Monitor

Scan Specifications

Scan Type	Color and B&W Scanner
Scan Speed	300 dpi: 48 ipm (BW/Color); 600 dpi: 25 ipm (BW/Color)
Scan Resolutions	600 dpi, 400 dpi, 300 dpi, 200 dpi, 200 × 100 dpi, 200 x 400 dpi
File Formats	TIFF, JPEG, XPS, PDF(1.4, /A)
Connectivity / Supported Protocols	10/100/1000BaseTX, TCP/IP
Scanning Functions	Scan to e-Mail, Scan to Folder (SMB), Scan to FTP, Scan to USB
Scanning Features	Duplex Scan, Continuous Scan

Copy Specifications

Image Mode	Text, Photo, Text/Photo, Auto, Manual, Printed Document, Map
Continuous Copy	1-999 / Auto Reset to 1
Additional Features	Auto Magnification, Auto Paper Select
Job Management	1,000 Department Codes; 100 User Authentication (20 Customizable User Logins)
Magnification / Zoom	Full Size, 5 Reduction, 5 Enlargement Preset Rations, 25-400% Zoom in 1% Increments
Document Box	Supports USB Memory for Print/Scan; Private print

Fax Specifications — Optional Fax System (W)

Compatibility	ITU-T Group 3
Transmission Speed / Modem	Less than 3 seconds per page / 33.6 Kbps
Fax Transmission Selection	Normal/Fine/Ultra Fine/ Super Fine
Network Fax Reception	Supports SMB Reception
Fax Functions	Duplex Transmission/Reception, Dual Access, 100 One Touch, 50 Groups, Broadcast, Fax Reports

Document Processor — DP-790

Type / Capacity	Standard Reversing Document Processor (RADF)/ 50 Sheets
Original Scan Speed	Up to 48 opm (Letter)
Acceptable Originals	5.5"x 8.5" - 11" x 17" (Statement - Ledger); Simplex: 16 lb Bond - 90 lb Index (49 - 162gsm), Duplex: 16-32 lb Bond (50 - 120gsm)

Optional Finishing — DF-470

Stack / Staple Capacity	Stack: 500 Sheets / Staple 50 Sheets (Letter), 30 Sheets (Legal/Ledger)
Paper Size	Letter, Legal, Ledger
Paper Weight	16 lb Bond - 140 lb Index (60 - 256gsm)
Edge Staple Position	3 Positions
Additional Options	AK-470 (Bridge Unit for Finisher), IB-50 Gigabit NIC (Dual NIC), Card Authentication Kit (B), Cabinet, Card Reader Holder (B)

ENERGY STAR · R6 READY · Java POWERED · Compatible with Windows 7 · Mac · PowerPC™
